Information Sheet

- The Arc will not be providing transportation for this event.
- Athletes need to be dressed and ready to play when arriving at the venue. This includes cheerleading. Please note that cheerleading will need to change into their basketball shirt once competition is completed.
- Please make sure you are where you are supposed to be and at the time you are supposed to be there. Last year we had several athletes show up late to their respective events. This cannot happen!
- Remember why we are doing this. Winning is nice and we all want to win, but participating in these events is supposed to be FUN for all involved.
- We will have bottles of water for the athletes, but athletes are also encouraged to bring their own water bottles for games.
- Lunch for the athletes and volunteer coaches will be provided on Friday and Saturday.
- Each athlete and volunteer coach are also invited to the banquet on Friday night at The Rose Garden Banquet Hall. If your athlete can attend, please have them join us.
- A dance will immediately follow the banquet at Hays High School. Each athlete is also invited to this. Transportation will NOT be provided.
- Please make sure you thank our volunteer coaches at some point during the tournament. These people keep our program going and donate their free time to make sure everyone gets a chance to compete.
- Brackets will be posted at www.arcofcentralplains.org under the “Activities” tab and on “The Arc of Central Plains Programs and Activities” Facebook page as soon as they are available. Please pay very close attention to which venue you are playing at.
- All athletes will be required to meet their teams at least 30 minutes prior to game times unless given other instructions by coaches.
